Tien Officiel is **a sustainable fashion studio** for elegant and conscious women seeking uniqueness. The inspiration of the brand is **the elegance in the nature** itself.

The brand name “Tien” meaning “fairy spirit” perfectly portrays this “fashion tale”; patterns.

aiming to be extremely gracious yet fierce enough to protect the forest and the nature. We believe in elegance in a sustainable world and we respect to the mother nature.

The birth of the brand starts with **ecoprinting method where the fabrics, all natural, are colored and printed delicately by hand**. We use **natural colorings** extracted from flowers, leaves and roots and use the eco-printing method for our

We admire delicate handcrafts and we explore ethical and sustainable ways of offering elegance with **timeless, feminine and minimalistic designs**.
